

PREPOSITIONAL PRONOUNS

When using prepositions like **for** (para), **of / from** (de), **with** (con), or **to** (a) you must use a special set of pronouns. They are similar to the subject pronouns except for me and you. They are:

Me = Mí	Us = Nosotros
You (fam.) = Ti	You (fam. pl.) = Vosotros
Him = Él Her = Ella You (for.) = Usted	Them = Ellos Ellas You (for. pl.) = Ustedes

When using **me** or **you (fam.)** with **con**, there is an irregularity.

Con + mí > **conmigo**.

Con + ti > **contigo**.

Examples:

I left with you. = **Yo salí contigo**.

Do you have something for me. = **¿Tienes algo para mí?**

The letter is from her. = **La carta es de ella**.

They play with us. = **Ellos juegan con nosotros**.
